

CRITICAL SKILLS UPDATE

September 8-12, 2008
(40 P.O.S.T. Credit Hours)

Get updated and tuned up using the latest technology and training methods! This five day course is specifically designed for patrol officers who have 5 or more years of experience and who desire to enhance and maintain their knowledge and skill in critical areas of enforcement and officer survival. This course will offer a variety of topics to include:

- Legal update on statutes and case law
- Pursuit law and pursuit decision making
- Weapon Retention, Handcuffing, Impact and Control
- Standardized Field Sobriety Testing Refresher
- Use of Force; legal and practical application

The week will culminate in practical and scenario based exercises utilizing the Academy's computerized driving simulator, the Milo use of force system, and Red Man protective gear. Due to the interactive nature of this training, the course will be limited to 24 participants.

Application deadline: July 25, 2008
Confirmation date: August 1, 2008

Registration fees: Wyoming Law Enforcement - \$250.00
Other - \$313.00
