Basic Overview Report

Kurt

Edberg - 90% vs 100% post hours requirement?

Kurt - we track what they are missing, agency can make up the time student missed or WLEA can make up the time after hours, so far everyone has completed missed time before graduation

Dual Cert up and running

Only for Wyoming peace officer certified folks to also become detention certified

Adv Training

Kurt

15 classes cancelled due to COVID in 2020

Only 1 cancelled in 2021 due to low enrollment

Facility Report

Nothing major to report

Looking to repair outdoor range, evo pad, add long range outdoor

Rising costs - Chuck

Food costs going up, currently costs us more than we are charging

Proposal - \$3.25 per meal (up from \$3)

Less time on campus means overall cost lower than with previous basics

\$198.25 DOB

\$481 POB

Frosty recommends building in enough now that we don't have to up the price again next year

Overall support of the price increase

2015 set the \$55/day advanced training fee

Cost of hygiene has increased 283% (gloves, cleaning supplies)

Proposal - raise the adv trng fee to \$60/day

Bridget - this is in line with what is happening in the legislature

Critac

Providing SME in curriculum dev test design online classes

Collaborative reform - working with WGF

Contacts being finalized now

New website
