

Wyoming Communication Officer Basic Course

This basic certification course utilizes an integrated, phased teaching approach and guided experiential learning concepts. Learners are taught and evaluated on curriculum established and certified by the Wyoming Law Enforcement Academy and the Wyoming Peace Officers Standards and Training Commission in the core competencies of criminal law, interpersonal interactions, professional skills and operations skills.

Learners are required to have a Wyoming P.O.S.T. Temporary Certification and be employed by a Wyoming Law Enforcement Agency or be a Pre-Service Candidate.

To receive certification student must attend and successfully complete all aspects of the curricula.
